

Zip With Us!

Receive it. Read it. Return it,
Then place your next request.

How To Zip

- Zip Books is a California State Library supported project that we are trying out. Not a full-fledged service yet, but an experiment. Join us in Phase 2 of this trial run!
- If we do not have the book or unabridged audiobook that you want, request a Zip Book.
- If the item is eligible, we will buy it from Amazon.com and have it shipped to your address at no charge to you. Receive it. Read it. Return it to us. Then place your next request.
- Zip Books requests are accepted in person only. Participants may have one Zip Book out at a time. Recommended due date is 90 days from receipt of the item.
- All Placer County Library members are eligible to participate provided fines/fees are below \$10.00.
- Shipping speed may vary, but is often 1-2 weeks or less.
- Participants agree to return the Zip Book to a staff member rather than the bookdrop. (You will be helping us differentiate it from a library donation)
- Eligible formats are: Regular Print Books, Large Print Books, & Unabridged Audiobooks available on Amazon.com, new or like new. Binding choice (paperback/hardback), cost & final purchasing decisions are at the Library's discretion. Titles above \$35.00 require prior approval. In some cases a traditional Interlibrary Loan may be offered instead of a Zip Book.

This project is supported by the U.S. Institute of Museum and Library Services under the provisions of the Library Services and Technology Act, administered in California by the State Librarian.
